Helen Keller International (HKI), co-founded in 1915 by our namesake, is committed to saving and improving the sight and lives of the world’s vulnerable by combating the causes and consequences of blindness, poor health, and malnutrition. We envision a world where no one suffers from malnutrition, disease, preventable vision loss, or blindness. HKI is well known and respected in the global health and development sectors for our expertise in translating science and research into innovative, effective programs. Our programs empower millions of people to achieve their potential through the delivery of preventative and curative solutions in eye health, nutrition, and neglected tropical diseases. Headquartered in New York City, Helen Keller International works in 19 countries across Africa and Asia, as well as in the United States.

ChildSight® Program Overview
Recognizing a lack of accessible, adequate vision care among low-income children in the United States, HKI established ChildSight® in 1994. The program identifies and treats refractive errors (i.e., nearsightedness, farsightedness and astigmatism) by providing in-school vision screenings, prescription eyeglasses, and ophthalmologic referrals to local partners for follow-up care as needed. In so doing, the program “brings education into focus”™ for children who would otherwise be left with poor vision – and unfulfilled potential. To date, ChildSight® has screened more than 2 million students in the U.S. and has provided free eyeglasses to approximately 327,550 children living in some of our country’s poorest neighborhoods. We are seeking a Program Assistant to join the program team in a community near you.

Responsibilities:
- Travel to schools/programs in target communities to administer screening assessments to students in accordance with ChildSight® guidelines.
- Assist consulting doctor in the implementation of vision assessment;
- Assist in the distribution of eyeglasses as prescribed by the eye doctor;
- Promote follow-up care by conducting educational information sessions to children, school personnel and/or parents/guardians regarding the screening assessment, vision health, potential vision difficulties and treatments;
- Assure understanding and adherence to HIPAA policy and procedures as outlined by ChildSight®;
- Follow the proper maintenance procedure of all files, records and documents relating to HKI program activities based on developed HIPAA protocol and compliance;
- Ensure the proper maintenance of all files, records and documents of the program;
- Collaborate with Program Manager in outreach strategies with parents, students and school liaison.

Requirements:
- High School or GED; plus 1-2 year’s related experience or equivalent combination of education and experience.
- Strong English-language communications skills; proficiency in Spanish, Arabic, Burmese, Hmong, S’gaw Karen or Somali preferred.
- Ability to work independently, but also coordinate effectively as part of a team.
• Excellent inter-personal skills; demonstrating diplomacy and tact.
• Demonstrable respect for all persons regardless of religion, ethnicity, class or gender.
• Willingness to travel within state and use of a personal vehicle with adequate insurance for HKI business.
• Specific physical abilities required by this job includes occasionally lifting and/or movement of up to 25 pounds.

Conditions:
This is a part-time position (approximately 20-25 hours per week) that is active only during the academic year.

To Apply:
Please submit a cover letter and resume to ChildSight.Recruitment@hki.org noting the job title and state in the subject line. Applications will be accepted until the position is filled.
