

Helen Keller JOB ANNOUNCEMENT

Program Specialist, Vision Program Seasonal/Temporary *(Newark & Surrounding Communities)*

Helen Keller International is a global health organization dedicated to eliminating preventable vision loss, malnutrition, and diseases of poverty. Cofounded by Helen Keller – and guided by her fierce optimism and belief in human potential – the organization delivers life-changing health solutions to vulnerable families where the need is great but access to care is limited. In the US, Africa, and Asia, Helen Keller's proven, science-based programs empower people to create opportunities in their own lives and build lasting change.

Background

Recognizing a lack of accessible, adequate vision care among low-income adults and children in the US, Helen Keller International established the US Vision Programs (formerly known as ChildSight®), which currently operate in CA, MN, NJ, NY & TX. Since 1994, Helen Keller International has provided free vision screenings for more than 2.1 million individuals in the United States and provided more than 350,000 of them with prescription eyeglasses to solve common vision problems.

Helen Keller is seeking a Program Specialist, Direct Services, to join the dynamic New Jersey Vision Program team and manage program activities in Newark and surrounding communities.

Key Responsibilities

With support and supervision from the Program Manager, the Program Specialist plans and schedules activities for and provides services to targeted communities.

Direct Services

- Consult on the development of a detailed plan for the on-site schedule of screenings, refraction, and eyeglass distribution in conjunction with the school system and other partners as needed to ensure efficient use of staff time, Optician and Optometrist services and assure transport of equipment.
- Travel to schools/programs in target communities with required materials to administer screening assessments to students per US Vision Program guidelines.
- Partner with representatives at host location to set up space according to guidelines to ensure safe and smooth operations. Break down and pack up at close of day.
- Provide on-site supervision and conduct on-site program processes such as vision screening, refraction assessment, eyeglass selection and ordering, assembly and distribution of eyeglasses, and completion of all program paperwork.
- Train new staff and contractors on program protocols and provide guidance and correction, as needed. Schedule and conduct regular 5-minute Peer Conversations with team and provide input into performance reviews.
- Promote follow-up eye care by conducting educational information sessions to program participants and families parents/guardians regarding the screening assessment, vision health, potential vision difficulties, and treatments.

- Participate in the design, testing, and implementation of the program materials including, but not limited to, impact surveys, program participants and families/guardians outreach and educational materials.
- Cultivate and maintain relationships with key program partners to assist in gathering information and collecting data on program participants.
- Collect and prepare data results from impact surveys and share results with the Program Manager.

Family Engagement

- Communicate with families/guardians by phone or email to share information regarding their student's referral to refraction services through the Vision Program.
- Provide families/guardians with information about their student's vision needs, gather relevant health insurance information, and request consent to bill insurance for refraction assessment services.
- Connect families/guardians with community eye care providers, promote their compliance with referrals for complete eye exams, as needed, and provide referrals for health insurance enrollment and other related services.
- Conduct follow-up with parents to confirm compliance with recommended care.
- Gather and submit relevant student and parent information to partnering providers.

Administrative Duties

- Assure understanding and adherence to HIPAA policy and procedures by Vision program staff and school personnel.
- Follow the proper maintenance procedure of all files, records and documents relating to Helen Keller program activities based on developed HIPAA protocol and compliance.

Requirements

- Bachelor's degree plus two years related experience, or equivalent combination of education and experience.
- Experience working in school and/or health settings and with adolescents preferred.
- Professional communication skills. Strong interpersonal skills including the ability to communicate effectively across cultures.
- Solid organizational skills and reliable attention to detail.
- Demonstrated ability to liaise effectively with community partners, troubleshoot issues, propose solutions and take proactive approaches to improve programmatic management processes including:
 - asking for information in a way that is clear and specific
 - interacting with internal colleagues and community partners with diplomacy and tact
- Oral and written proficiency in Spanish is *strongly preferred*.
- Ability to work independently and prioritize workload, assume responsibility for work, and follow through to completion.
- Ability and willingness to work under pressure with a positive attitude as a part of a team.
- Willingness to travel within the targeted communities, potentially using own personal vehicle, with supplemental business insurance to be reimbursed by Helen Keller.
- Demonstrable respect for all persons regardless of religion, ethnicity, class, or gender, with a high comfort level working in a diverse environment with a demonstrated commitment to high professional, ethical standards.
- Basic computer literacy sufficient to input quality data into database of record.
- Ability to lift and transport boxes of eyeglasses and/or required daily program equipment that may weigh up to 25 pounds.
- Helen Keller International requires all staff who work in our offices and/or who provide services to beneficiaries of our US programs to be fully vaccinated against COVID-19, whether or not they have had COVID.

- For the time being, Helen Keller also requires all staff to wear masks while providing program services and when in any open or public space in the office and to observe social distancing.

Conditions:

- The position is part-time (approximately 25-30 hours per week) and active only during the academic year.

To Apply

Qualified candidates should submit a cover letter and resume to usvp.recruitment@hki.org. Applications will be accepted until the position is filled.
